

fritz

“It’s like having a Grandmaster as your best mate!”

CHESS 8

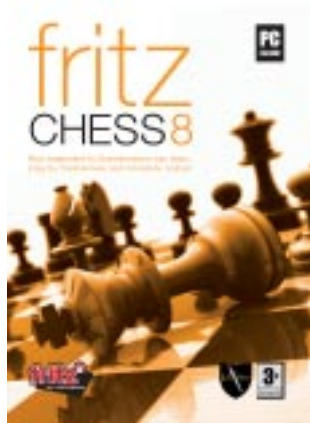

Fritz Chess from Chessbase is arguably the benchmark for interactive chess games, suitable for beginners to experts, it’s what Garry Kasparov uses to play against.

USP’s

- ◆ It can teach you to play from scratch automatically adjusting the playing strength to suit
- ◆ It has an extremely powerful playing strength - Fritz drew 2-2 with Garry Kasparov!
- ◆ Various playing strengths for all levels
- ◆ Choose from a traditional display or an impressive 3D photo-realistic display
- ◆ Play on-line via Playchess.com- Fritz 8 comes with one years subscription to this server.
- ◆ Its database contains over 500,000 different games - compare this with 50,000 in Virtual Chess and 800 in Chessmaster 9000!
- ◆ Score-sheet style game notation
- ◆ Problem solver and analyser - this powerful function has repeatedly won prizes
- ◆ Coaching and training
- ◆ Chess clock

“I use Fritz regularly for my analysis” - Garry Kasparov

Fritz has also been used in space - entertaining cosmonauts spending many months on Space Station Mir.
