Excalibur Publishing is pleased to announce the release of its latest title **Maximus XV Abraham Strong – Space Mercenary**, a sci-fi RPG/action title presented in real-time 3D graphics. The gameplay takes place on board the spaceship Maximus XV whilst it is transporting a load of convicted prisoners from Earth to the farthest reaches of space. Suddenly it becomes trapped inside a cosmic anomaly called Black Nebula. As Maximus XV is hi-jacked by hordes of alien creatures, you play the role of Abraham Strong – Space Mercenary, hacking and slashing your way through to an emergency escape capsule on the other side of the ship!

Features:

- 45 levels over 5 different scenarios: Earth-like environments, futuristic interiors, post-catastrophe locations, deserts and frozen lands
- 40 alien creatures from 3 different breeds
- Dozens of weapons and hi-tech items to use
- Diverse paths of character development – smash your way through problems, become quick and elusive or gain advantage with sophisticated technology.
- Amazing real-time 3D graphics and spectacular special effects
- Captivating in-game dialogue plus atmospheric, industrial ambient music
