Format: PC CD
Release 19th May 2006
SRP: £19.99
Territory: United Kingdom / Germany
Barcode: 5060020472367

Oxfordshire, May 2nd 2006

First Class Simulations is pleased to announce that it has struck a publishing deal with well respected US-based developer, Shockwave Productions, Inc., to publish their much anticipated Microsoft™ Flight Simulator 2004 add-on **Wings of Power II.**

Wings of Power II includes three brand new WWII fighter aircraft built using Absolute Realism Technology: They are the legendary Supermarine Spitfire, the Messerschmitt Bf109 and the Mitsubishi A6M5 Zero. Also included are the famous P51D Mustang and P47D-20 Thunderbolt. Wings of Power II delivers the most advanced and faithful aircraft ever designed for Flight Simulator 2004.

Features include:

- Built from actual aircraft flight tests and the original pilot's manual
- Authentic power characteristics of the supercharged and turbocharged piston engines

Cont'd..

- Realistic cruise performance under various conditions with Precision Fuel Management
- Absolute Realism even delivers authentic "distance-to-altitude" performance under various power settings
- Gorgeously constructed aircraft, inside and out, down to the last rivet
- Professionally recorded and mastered authentic audio
- Latest generation engine sound including realistic prop effects
- Stall buffet, canopy, ground roll, flaps, gyro and authentic cockpit wind
- Authentic drop tank release actually drops both fuel and weight

Wings Of Power II will be available from 19th May 2006.
